

Mr. Duckett

*per conversation on last evening*  
Regarding [REDACTED] I talked to Don Chamberlain this morning and he just confirmed that the subject of [REDACTED] never came up in his and [REDACTED] discussions with the [REDACTED] or the Americans in [REDACTED] during their recent visit. ~~As I mentioned to you last night, I was quite sure that I had heard that the topic never came up for discussion during the visit, but I just wanted to get this additional confirmation.~~
